WE VOTE CBC!

PETITION TO FLEETWOOD-PORT KELLS CANDIDATES

Like most Canadians, I value public broadcasting. The CBC has been a force for national unity from coast to coast to coast and reinforces our identity as Canadians. Despite public support for the CBC, its funding has been drastically cut for years and its independence increasingly threatened. This has diminished its ability to fulfill its mandate. We value and insist upon our freedom of the press. If you are elected, will you promote a CBC free of government interference and work to undo the damage that has been done to CBC funding? This is a voting issue for me.
